

Fowler Seed Marketing

Serving Your Seed Needs Since 1995!

Midwest Laboratories Soil Testing Packages

For soils test bags, submittal forms, questions about the analysis, information on additional testing options, or to review soil test results, contact Fowler Seed Marketing at (888) 249-7333.

FSM Complete Soil Test

Provides analysis of the following*:

Organic Matter, available phosphorous (both P1 & P2), exchangeable potassium, magnesium, calcium, hydrogen, soil pH, buffer index, cation exchange capacity, percent base saturation of cations, soluble salts, sodium, excess lime, nitrate nitrogen, and water solubility **plus sulfur, zinc, manganese, iron, copper and boron**. Grower cost: \$38/sample.

FSM Basic + Sulfur Soil Test

Provides analysis of the following*:

Organic Matter, available phosphorous (both P1 & P2), exchangeable potassium, magnesium, calcium, hydrogen, soil pH, buffer index, cation exchange capacity, percent base saturation of cations, soluble salts, sodium, excess lime, nitrate nitrogen, and water solubility **plus sulfur**. Grower cost: \$31/sample.

FSM Basic Soil Test

Provides analysis of the following*:

Organic Matter, available phosphorous (both P1 & P2), exchangeable potassium, magnesium, calcium, hydrogen, soil pH, buffer index, cation exchange capacity, percent base saturation of cations, soluble salts, sodium, excess lime, nitrate nitrogen, and water solubility. Grower cost: \$28/sample.

Cobalt, Molybdenum, Selenium Test

Provides analysis of cobalt, molybdenum, and selenium (must do all three as a package). Especially useful for organic growers who want to use products containing these minerals. Grower cost: \$50/sample.

IMPORTANT:

Customer is responsible for sample shipping costs to Midwest Labs. Fowler Seed Marketing (FSM) will provide soil bags and submittal forms. Test results for all samples using FSM submittal forms will be mailed along with the invoice to our local FSM dealer or direct customer. Results can be forwarded upon request via e-mail or fax for faster turn around at no additional charge to FSM dealers.

**Test results presented in Agri-Energy format with graph.*
