FSM Brand 362-ORG Alfalfa

FSM Brand 362-ORG alfalfa is a very productive, *certified organic* variety. Resistance to common diseases and excellent forage quality makes **362-ORG** a top choice for certified organic producers.

Agronomic & Performance Characteristics

Bacterial Wilt:	Resistant	Yield:	9.0 (10=best)
Fusarium Wilt:	Resistant	Forage Quality:	9.0 (10=best)
Phytophthora Root Rot:	Resistant	Fall Dormancy:	3.6 (1=earliest)
Anthracoze:	Resistant	Winter Survival:	2.0 (1=highest)
Verticillium Wilt:	Resistant	Cutting recovery:	9.0 (10=best)
Development:	Certified Organic	Seeding Rate:	15-20#/acre

FSM Brand 362-ORG alfalfa is well suited for organic production on a wide range of soils with moderate to good drainage and adequate fertility. A *certified organic* variety, **362-ORG** is naturally resistant to many common diseases and is very persistent. For best results, drill inoculated seed $\frac{1}{4}$ to $\frac{1}{2}$ inch deep into a firm seed bed. Untreated seed should be inoculated prior to planting with **Myco-Seed Treat Rhizobium** to encourage healthy and vigorous seedlings. We recommend applying our **Agri-Energy Organic Alfalfa Fertility Program** to enhance the forage quality and enhance nutrient and mineral content and availability. The digestible energy of your harvest can also be increased by incorporating up to 50% of a high quality grass into the seeding. **362-ORG** stays dormant throughout the winter, preventing winter kill. Upon breaking dormancy, **362-ORG** grows rapidly, producing excellent yields of high quality forage on an aggressive 28-30 day cutting schedule. Cuttings to be made after September 1st should be delayed until after a killing frost.

FSM Brand 362-ORG should be inoculated with **Myco-Seed Treat Rhizobium** before planting at a rate of 4oz per 50# of seed.

Use an **Agri-Energy Alfalfa Fertility Program** to supply balanced nutrition throughout the growing season, including, essential calcium, phosphorus, and potassium.

FSM Brand 362-ORG is a certified organic variety.

FSM Brand 362-ORG is Certified Organic by NICS.
